MAJOR*		

RELATED AREAS
 *Students must have 12 upper division hours in the major at ASU Main

Key: Hrs = credit hours, UD = Upper division courses (300 and 400 at ASU)

How to use this check sheet: List the course and prefix number that fulfills the corresponding requirement. In the appropriate column next to the course, write the number of semester credit hours. If the course is an upper division course (junior or senior level, numbered 300-499 at ASU) also mark the number of credit hours in the UD column next to the course. Courses numbered 500 or above require special permission, ask for the petition form in the CLAS office in SS 111. When cross listing courses (i.e., using the same class to fulfill two requirements) take extra care not to double count the credit hours. Write the number of hours under one of the requirements, and cross out the appropriate column under the cross-listed requirement.

University General Studies Requirements: Please see the current catalog or schedule of classes for a listing of courses that qualify for General Studies credit (i.e., L, MA, CS, HU, SB, SQ/SG, C, G, H).

Note: University General Studies HU and SB courses are not the same as CLAS Humanities and Social and Behavioral Science credits. See below.

CLAS Graduation Requirements:

CLAS Humanities credits come only from the following departmental prefixes: **AFH, CSH, ENG** (Literature courses only), **HUM, PHI, HPS, REL, WSH**, Department of Languages & Literatures - FLA 150 or any upper division literature or civilization course (e.g., SPA 325).

CLAS Social/ Behavioral Sciences credits come only from the following departmental prefixes: **AFS, ASB, CSS, ECN, GCU, HIS, POS, PGS, SOC, WST** (not WST 413, 464, 470).

CLAS Bridge courses (NOTE: New courses are periodically added; please see the "Bridge Course" flyer or look on the CLAS website for an updated list.) The Bridge course requirement cannot be double counted to fill other requirements for the university or college. Courses in **bold** may count toward the major, see an advisor to choose those courses.
