WHAT YOU NEED TO DO TO APPLY FOR THE MARC PROGRAM:

III. STATEMENT (3 pages maximum, double spaced, 12 point font)

On a separate page, please provide a typewritten statement describing your interest in science and/or mathematics. Describe how your interest developed; include previous coursework, special science/math projects, summer programs, and/or related clubs or groups in which you participated. Include any outside interests you have, especially service activities. Include your future interests, plans and discuss how these may relate to research and education in science, mathematics, or other research areas.

IV. CURRENT RÉSUMÉ

Please include your participation in any summer programs, internships or undergraduate research activities. List the names, locations, dates, brief description of each program and the names of any mentors; include any other laboratory experiences and your associated responsibilities.

V. AN UNOFFICIAL COPY OF COLLEGE TRANSCRIPT(S)

An unofficial copy of your ASU transcript can be accessed using ASU Interactive (<https://asu.edu/interactive>).

VI. TWO LETTERS OF RECOMMENDATION

Please provide two letters of recommendation from individuals who are familiar with your interests, abilities, and/or career goals. Please ask the individuals to address your background and skills as they are relevant to your potential success in the MARC program. A letter from a professor, instructor, teacher, mentor, advisor, or supervisor is preferred. The letters should be written on company/departmental letterhead. A contact telephone number and/ or email address of the people writing the letters is appreciated. The letters should be submitted with your application in sealed and signed envelopes (author should seal envelope and sign across the back flap). Photocopies of the letters are not required.

Letter One

Letter Author: _____

Telephone Number: _____

Company/ Business Name: _____

Email Address: _____

Letter Two

Letter Author: _____

Telephone Number: _____

Company/ Business Name: _____
