

Who's got your back?

We've lined up a team of professional staff, faculty and student leaders committed to your success at ASU.

Enrollment Counselor

Professional support staff members

- Finding the best program for your goals
- Application assistance
- Guidance and updates throughout the admissions process
- Preparing you for your first day of classes

asuonline.asu.edu/become-student/admission

Academic Advisor

Professional staff members from your college or major

- Course scheduling
- Requirements for majors, minors and certificates
- Staying on track to graduate
- Academic policies
- Transferable credits

All new students are encouraged to meet with their academic advisors for initial advising appointments for pertinent program information.

To connect with your academic advisor, visit:

My ASU > eAdvisor > Advising or
