JOB#12443  
Arizona State University  
School of Life Sciences  

Instructor (FSC)  

The School of Life Sciences at Arizona State University is seeking a highly motivated, energetic and passionate individual to fill an instructor position in biology with knowledge of biological principles including cell biology, genetics, and evolution. The instructor will be part of a team that includes School of Life Science faculty and other instructional staff dedicated to quality instruction. The instructor will be primarily responsible for ASUOnline, and in-person courses as assigned. 

Teaching load is typically 4 to 5 courses per semester or an equivalent combination of lecture and laboratory sections. Course load is determined by the Associate Director of Undergraduate Programs. This is a fiscal year appointment 7/1/2018 to 6/30/2019; and may be prorated based upon actual start date. The Instructor (FSC) position is a fixed-term, benefits-eligible, fiscal-year, faculty appointment with no tenure implications. Renewal is contingent upon availability of funds, satisfactory performance, and the needs of the university. Salary is competitive and dependent upon qualifications, experience and rank. 

Required Qualifications:  

- Master’s degree in Biology or closely related field at time of appointment  
- Evidence of excellent teaching ability  

Desired Qualifications:  

- A PhD degree from a regionally accredited institution in Biology or closely related field at the time of appointment  
- Demonstrated experience teaching biology at the undergraduate college level  
- Excellent verbal and written communication skills.  
- Experience in course management systems such as Blackboard and online homework systems  

To apply, please submit the following materials within a single PDF document to SOLSfacultysearch2@asu.edu: (1) cover letter of interest, (2) curriculum vitae, (3) statement of teaching philosophy, (4) evidence of teaching effectiveness and (5) information for three professional references (position, title, e-mail & phone number). Only electronic submissions will be reviewed. Incomplete applications will not be
considered.

The initial deadline for review of complete applications is July 14, 2018 at 5pm; and if not filled, then every Friday thereafter until the search is closed. A background check is required prior to employment. Candidate must reside in Arizona or be willing to relocate. Direct all inquiries to Search Committee Chair Dr. Michael Angilletta at ma@asu.edu.

Arizona State University is a VEVRAA Federal Contractor and an Equal Opportunity/Affirmative Action Employer. All qualified applicants will be considered without regard to race, color, sex, religion, national origin, disability, protected veteran status, or any other basis protected by law. ASU’s full nondiscrimination statement (ACD 401) is located on the ASU website at https://www.asu.edu/aad/manuals/acd/acd401.html and https://www.asu.edu/titleIX

General Information:
Arizona State University is a comprehensive public research university named #1 in the United States for innovation for the second consecutive year, followed by #2 Stanford and #3 MIT. We measure our success not by whom we exclude, but rather by whom we include and how they succeed; advancing research and discovery of public value; and assuming fundamental responsibility for the economic, social, cultural and overall health of the communities we serve. ASU’s School of Life Sciences is home to innovative teachers who are guided by educational access, student success, applied learning, and interdisciplinary inquiry. We understand there are many paths to achieving a university education, and we build undergraduate and graduate degree programs and pathways that are flexible and relevant for a rapidly changing world.
